IBIS STYLES THE ENTRANCE

CONSERVATION COMMITMENTS

Explore the Central Coast responsibly by observing some simple 'house' rules. Make the pledge today to reduce your impact and ensure the conservation of our slice of paradise.

While visiting the Central Coast, I pledge to:

- Plan ahead and prepare for a safe journey
- Tread gently on Country
- Take 3 pieces of plastic off the beach or street #Take3FortheSea
- Refuse single use plastics and dispose of waste correctly
- Respect the local neighbourhood
- Camp smartly and responsibly
- Give local wildlife space
- Leave what i find behind if it's not mine
- Take local stories and produce home to share
- Leave only footprints

Feels great to be green.
